

Day 9 Only!

Tripods: GNSS/MC

Standard and Heavy Duty, with telescoping legs

FEATURES & BENEFITS

- ▶ 5119-00 version offers dual graduations, collapsible center staff with a quick clamp and/or screw clamp (see table) and includes removable 5/8 x 11 adapter, and an on-board compass
- ▶ Both the 5115-00-XXX series and the 5119 series have a fixed-height, 2-meter center staff that rotates 360° for calibrating the included 8-minute vial
- ▶ All aluminum hardware is anodized black for long life
- ▶ 5119-10 features large telescoping legs (1.25 to 1.5 inch diameters) feature adjustable handle levers on the leg pivots and a large 6-inch diameter round head which easily holds lasers or robots
- ▶ All three tripods feature extendable electrostatically powder painted legs and include replaceable points
